Sir:

This is in response to the Office Action mailed December 31, 2001, and having a period for response set to expire on March 31, 2002. Because March 31, 2002 falls on a Sunday, this amendment is timely filed by April 1, 2002.

The following amendments and remarks are respectfully submitted. Reconsideration of the claims is respectfully requested.

IN THE SPECIFICATION:

Please AMEND the paragraph beginning at page 5, line 10, as follows:

A1
--The browser unit obtains information using address information defined on an information network and outputs the thus-obtained information. The control unit informs the address information to the browser unit according to a predetermined output sequence specified by a user and instructs the output of information corresponding to the informed address information.--

Please AMEND the paragraph beginning at page 5, line 20, as follows:

A2
--This processing includes referring to a correspondence relationship between a plurality
